## Certificate of Compliance

EU REACH Annex XVII

Fastener Industries has evaluated its products against the REACH Annex XVII entries as listed in Appendix A of this document. To the best of our knowledge, when used as intended, our products are compliant with all REACH Annex XVII entries as:

- (a) the substances referenced are not present in our products above the prescribed thresholds, **and/or**
- (b) the conditions prescribed by the entry do not apply to FII's products when used as intended.

Please contact our compliance team at the below email should you have any questions.
